Each year the Clovis Rebels Board of Directors get together and plan an exciting eventful cheer and football season. Our board consists of parent volunteers who selflessly give of their time to this program. A few of us have been serving for years and a few we welcome as new members! Each of us have our own stories to share about how this youth program has touched the lives of our own children. One thing we all have in common is having a heart and drive to make each season more successful.

2021 is here and registration is steady! As our team rosters are filling up, we need help from our community to give our boys and girls another safe, competitive, and fun Rebels season. We participate in our great City of Clovis parades and events. It is important that we provide safe equipment and rewarding activities for our children! This continues to happen with the help of sponsors.

Below you will find a list of a few areas we need support in.

- *New Shoulder Pads (25)*
- *Cost of Reconditioning of Helmets*
- *Cost of Fields*
- *Score Board!*
- *New Cheer Pom Poms & Canopy*
- *"Pink Rebels Shirts" (150) We participate in "Breast Cancer Awareness Month". Your company logo will be on the shirt!*
- *Trophies and Awards*
